VISION	INSPIRATION	EXHAUSTION	
SPEED, SENSES, & CONDITIONS			

Relentless Endurance (1/Long Rest). When you are reduced to 0 hps but not killed outright, you can drop to 1 hp instead.

Savage Attacks. When you score a critical hit with a melee weapon attack, you can roll one of the weapon's damage dice one additional time and add it to the extra damage of the critical hit.

Darkvision. You can see in dim light within 60 feet of you as if it were bright light, and in darkness as if it were dim light.

Heavy Armor Master. While you are wearing heavy armor, bludgeoning, piercing, and slashing damage that you take from nonmagical attacks is reduced by 3.

Tough. Your hit points maximum increases by 16.

Divine Sense (Action—3/Long Rest). You can open your awareness to detect presence of strong evil. Until the end of your next turn, you know the location of any celestial, fiend, or undead within 60 feet of you that is not behind total cover. You know the type of being whose presence you sense, but not its identity. Within the same radius, you also detect the presence of any place or object that has been consecrated or desecrated.

Lay on Hands (Action—40/Long Rest). You can touch a creature and draw power from the pool to restore a number of hp to that creature, up to the maximum amount remaining in your pool. You can expend 5 hp from your pool of healing to cure the target of one disease or neutralize one poison affecting it. This feature has no effect on undead and constructs.

Fighting Style.

Great Weapon Fighting. When you roll a 1 or 2 on a damage die for an attack you make with a melee weapon that you are wielding with two hands, you can reroll the die and must use the new roll, even if the new roll is a 1 or a 2. The weapon must have the two-handed or versatile property for you to gain this benefit.

Divine Smite. When you hit a creature with a melee weapon attack, you can expend one spell slot to deal radiant damage to the target, in addition to the weapon's damage. The extra damage is 2d8 for a 1st-level spell slot, plus 1d8 for each spell level higher than 1st, to a maximum of 5d8. The damage increases by 1d8 if the target is an undead or a fiend, to a maximum of 6d8.

Divine Health. The divine magic flowing through you makes you immune to disease.

Oath of Redemption. The Oath of Redemption sets a paladin on a difficult path, one that requires a holy warrior to use violence only as a last resort.

Extra Attack. You can attack twice, instead of once, whenever you take the Attack action on your turn.

Aura of Protection. Whenever you or a friendly creature within 10 feet of you must make a saving throw, the creature gains a +2 bonus to the saving throw. You must be conscious to grant this bonus.

Emissary of Peace (Bonus Action—Channel Divinity). You grant yourself a +5 bonus to Charisma (Persuasion) checks for the next 10 minutes.

Rebuke the Violent (Reaction—Channel Divinity). Immediately after an attacker within 30 feet of you deals damage with an attack against a creature other than you, you can force the attacker to make a Wisdom saving throw. On a failed save, the attacker takes radiant damage equal to the damage it just dealt. On a successful save, it takes half as much damage.

Aura of the Guardian (Reaction). When a creature within 10 feet of you takes damage, you can take that damage, instead of that creature taking it. This feature doesn't transfer any other effects that might accompany the damage, and this damage can't be reduced in any way.

BACKGROUND STORY

Thanks to your noble birth, people are inclined to think the best of you. You are welcome in high society, and people assume you have the right to be wherever you are. The common folk make every effort to accommodate you and avoid your displeasure, and other people of high birth treat you as a member of the same social sphere. You can secure an audience with a local noble if you need to.

A screenshot of a digital spellbook interface. At the top left, it says "1ST LEVEL" and "4 SPELL SLOTS". Below this, there are three columns of spell slots. Each slot is represented by a horizontal bar with a small circular icon at the top left. The first column has four bars, while the second and third columns have none.

Sanctuary

1st-level abjuration

CASTING TIME	1 bonus action
RANGE	30 feet
DURATION	1 minute
COMPONENTS	V, S, M (a small silver mirror)

You ward a creature within range against attack. Until the spell ends, any creature who targets the warded creature with an attack or a harmful spell must first make a Wisdom saving throw. On a failed save, the creature must choose a new target or lose the attack or spell. This spell doesn't protect the warded creature from area effects, such as the explosion of a fireball.

If the warded creature makes an attack, casts a spell that affects an enemy, or deals damage to another creature, this spell ends.

Oath Spells (Paladin)

Player's Handbook

Sleep

1st-level enchantment

CASTING TIME	1 action
RANGE	90 feet
DURATION	1 minute
COMPONENTS	V, S, M (a pinch of fine sand, rose petals, or a cricket)

This spell sends creatures into a magical slumber. Roll 5d8, the total is how many hit points of creatures this spell can affect. Creatures within 20 feet of a point you choose within range are affected in ascending order of their current hit points (ignoring unconscious creatures).

Starting with the creature that has the lowest current hit points, each creature affected by this spell falls unconscious until the spell ends, the sleeper takes damage, or someone uses an action to shake or slap the sleeper awake. Subtract each creature's hit points from the total before moving on to the creature with the next lowest hit points. A creature's hit points must be equal to or less than the remaining total for that creature to be affected.

Undead and creatures immune to being charmed aren't affected by this spell.

At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, roll an additional 2d8 for each slot level above 1st.

Calm Emotions

2nd-level enchantment

CASTING TIME	1 action
RANGE	60 feet
DURATION	Concentration, up to 1 minute
COMPONENTS	V, S

You attempt to suppress strong emotions in a group of people. Each humanoid in a 20-foot-radius sphere centered on a point you choose within range must make a Charisma saving throw; a creature can choose to fail this saving throw if it wishes. If a creature fails its saving throw, choose one of the following two effects.

You can suppress any effect causing a target to be charmed or frightened. When this spell ends, any suppressed effect resumes, provided that its duration has not expired in the meantime.

Alternatively, you can make a target indifferent about creatures of your choice that it is hostile toward. This indifference ends if the target is attacked or harmed by a spell or if it witnesses any of its friends being harmed. When the spell ends, the creature becomes hostile again, unless the GM rules otherwise.

Oath Spells (Paladin)

Player's Handbook

Hold Person

2nd-level enchantment

CASTING TIME	1 action
RANGE	60 feet
DURATION	Concentration, up to 1 minute
COMPONENTS	V, S, M (a small, straight piece of iron)

Choose a humanoid that you can see within range. The target must succeed on a Wisdom saving throw or be paralyzed for the duration. At the end of each of its turns, the target can make another Wisdom saving throw. On a success, the spell ends on the target.

At Higher Levels. When you cast this spell using a spell slot of 3rd level or higher, you can target on additional humanoid for each slot level above 2nd. The humanoids must be within 30 feet of each other when you target them.
